Featuring:

Master Saddler Jochen Schleese from Germany appears for the first time ever in Indiana speaking about Saddle Fit 4 Life - saddle fitting to benefit the horse and rider. Did you know that improper saddle fit can make your horse lame or even permanently disabled? And that saddle fitting for women differs from what is needed for men?

Jane Manfredi, DVM, MS, Ph. D Student in Comparative Medicine and Integrative Biology Program, Large Animal Clinical Sciences Department, Michigan State University, speaking for the first time in Indiana about bridle and bit fitting. Did you know that your bridle and bit could be causing your horse intense pain?

Rebecca Phend, Beccassage, Certified Massage Therapist for equines, canines and humans. Rebecca will speak about and demonstrate what massage therapy can and cannot do for your horse.

Cindy Pyscher, Pulse Magnetics, Cindy will lecture on the benefits of pulse electro-magnetic field therapy for horses, canines and humans.

Live horse demonstrations included with each lecture. Learn how proper tack fitting and these therapies can fit into your horse's wellness program. Horses and riders from all disciplines and breed welcome – not just for English riders!
